“ The best of neighbors; kind, independent and straight talking. As neighbors we discussed many things and one of our favorite topics was our Winnipeg Blue Bombers and what was wrong with them that particular season. She loved those Bombers but I think her heart was really with Sask. I remember too that she loved her flowers and backyard garden. A standout memory for me was the year I had a tree of mine cut down. She tore a strip off me and didn't talk to me for a week! I was always impressed with her cooking expertise and spent a lot of time discussing recipes and tips. She loved her canine companion and friend Odie and the little guy is likely very happy to see her again as Joyce would be too. I know she was very happy to have Lucy and Desi as well.

Sad to see her go but it's comforting to know she's free of pain, independent again and with friends and loved ones that preceded her

-My very sincere condolences to Laurie, Dave, Pat and Family

“ Saddened to read of Joyce's passing but know she is at peace and pain free now. I will always remember working with her in the Emergency Dept. She was beautiful and such a lady. My sincere sympathy Laurie to you and your siblings. Anne Wright
